(A01) Rev 002 3/1/2011

The Buyer has determined that North American Industry Classification System (NAICS) Code 541330 applies to this acquisition. Therefore, the size standard for determining whether an Offeror is a small business in regard to this acquisition is \$15M.

If this solicitation is designated as a small business set-aside, the Offeror certifies that they are a small business by submitting a proposal or an offer to this solicitation.

A.2 Proposal Submittal

(A37) Rev. 0 03/14/2011

1. Proposals are to be received by the close of business (4:00 P.M., PST) on the date specified in the Solicitation.
2. Other Proposal Methods

Proposals, upon approval by Contract Specialist, may be submitted by E-mail (preferred), mail, or hand delivered. The original proposal form and certifications must be sent to the Contract Specialist when requested as confirmation.

3. Late Proposals

A proposal is considered late if it is received at the office designated in the solicitation after the exact time and date specified for receipt and will not be considered unless:

- a. It was sent by registered or certified mail no later than the fifth calendar day prior to the date specified for receipt of offers (e.g., an offer submitted in response to a Solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th or earlier); or
- b. It was sent by mail, telephone, or fax, if authorized by the Contract Specialist, and it is determined that the late receipt was due solely to mishandling upon receipt; or
- c. It is the only proposal received.

REQUEST FOR PROPOSAL NO: 292743

4. Proposal Changes

Any modification of a proposal, including the Contract Specialist's request for "Best and Final Offer," is subject to the same conditions as in the "Late Proposals" section above.

5. Withdrawal of Proposals

Proposals may be withdrawn by written or electronic notice to the Buyer at any time prior to award. A Subcontractor, or its authorized representative, may withdraw proposals in person, provided their identity is made known and they sign a receipt for the proposal.

A.3 Financial Capability Determination

(A39) Rev. 0 03/14/2011

Prior to Award, the Buyer reserves the right to request any or all Offerors to submit data which will be used to make a determination of financial capability to perform on any resultant Subcontract. Such data may include, however not be limited to, current annual reports, lines of credit with financial institutions and suppliers, and/or any other such data as may be required to make a determination of the Subcontractor's financial capabilities.

A.4 Proposal Submission Requirements

(A96) Rev. 0 7/15/2010

There may or may not be an award made as a result of this Solicitation. MSA is under no obligation to pay the Offeror for the preparation or submittal of any response to this Solicitation.

Offerors shall submit an electronic proposal (or as otherwise specified by Buyer) of the complete proposal package.

Offeror shall insert the necessary information required on the Solicitation. Any proposals not submitted in accordance with the Solicitation may be considered nonresponsive. Unless otherwise requested, Offeror is to propose price and delivery based upon their normal work week. In addition, Offeror is to specify basis of normal workweek (i.e., number of days/week and number of hours/day).

Compliance with specifications and other requirements of this Solicitation is essential. Unless otherwise indicated by Offeror, Offerors signature on their proposal shall indicate unqualified acceptance of all requirements including all the terms and conditions stated and referenced by this Solicitation. Interpretations established by the Offeror to any part of this Solicitation may be considered an exception. In case of doubt, Offeror should request clarification from Buyer. If there are any exceptions to the requirements of the Solicitation, the price offered should be based on the Solicitation's requirements and the exception(s) priced as alternates. If Offeror's proposal is based

REQUEST FOR PROPOSAL NO: 292743

only on the proposed exceptions, it must be recognized that this may be grounds for a determination that such a proposal is non-responsive.

Any questions or requests for additional information relative to the Solicitation must be submitted in writing to the Buyer's representative responsible for issuing the Solicitation. Copies of replies to questions will be furnished to all Offerors.

Proprietary Information

Offerors whose proposals include any data that they do not want disclosed to the public for any purpose, or used by Buyer or the Government except for evaluation purposes, shall:

A. Mark the title page of their proposal with the following legend:

“This proposal includes data that shall not be disclosed outside Buyer or the Government and shall not be duplicated, used, or disclosed - in whole or in part - for any purpose other than to evaluate this proposal. If, however, a Subcontract is awarded to this Offeror as a result of, or in connection with, the submission of this data, Buyer and the Government shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting Subcontract. It is the Buyer's policy to avoid situations, which place a Subcontractor in a position wherein it may not be able to compete on an equal basis for Buyer-controlled work with other qualified contractors. To address this matter, the Subcontractor is to consider the relevant circumstances surrounding this effort to determine if there are any past, present or future interests (financial, contractual, organizational or personal) that could be viewed as a conflict of interest. The Subcontractor is to insert the following statement into any proposal response to MSA:

H.1 Reimbursement of Travel Expenses

(H21) Rev. 3 08/15/2016

General Reimbursement Policy

1. Expenses must be in accordance with the Federal Travel Regulations (FTR), this clause, and any other Subcontract provisions agreed upon prior to traveling. Reimbursement for travel under this Subcontract is strictly limited to costs incurred for lodging, meals, and incidental expenses deemed reasonable, allowable, and allocable under the FTRs and this Subcontract. Costs may be based on per diem, actual expenses or a combination of both provided that costs shall be considered reasonable and allowable only to the extent that

REQUEST FOR PROPOSAL NO: 292743

they do *not exceed* on a daily basis the maximum per diem rates in effect at the time of travel as set forth in the FTR. Links to the [FTRs](#) and [current per-diem rates](#) can be found on the GSA web site (www.gsa.gov).

2. At all times, the Subcontractor is expected to take reasonable steps to minimize the amount of travel expenses (i.e. booking all travel as far in advance as possible).

Time Limitations

1. Domestic Extended Personnel Assignments
 - (a) Domestic extended personnel assignments are defined as any assignment of subcontractor personnel to a domestic location different than their normal duty station for a period expected to exceed 30 consecutive calendar days.
 - (b) For personnel on approved domestic assignments, Subcontractors will be reimbursed the lesser of temporary relocation costs (FTR 302-3.4 – 302-3.429) or a reduced per diem as described in subparagraphs (c) and (d) below.
 - (c) Lodging -For the first 60 days and last 30 days of the assignment, the Subcontractor will be reimbursed costs associated with lodging at the lesser of actual cost or 100% of the Federal per diem rate at the assignment location. The intervening days will be reimbursed at the lesser of actual cost or 55% of Federal per diem rate for lodging.
 - (d) Meals and Incidentals - For the first 30 days and last 30 days of the assignment, MSA will reimburse costs associated with meals and incidental expenses (M&IE) at the lesser of actual cost or 100% of the Federal per diem rate at the assignment location. The intervening days will be reimbursed at the lesser of actual cost or 55% of Federal per diem rate for M&IE.
 - (e) Trips Home – One trip home, to the primary residence, after each four consecutive weeks of assignment at the Hanford Site is reimbursed when preapproved by MSA subject to the following:
 - (1) While traveling and at home, no per-diem expenses are reimbursable and no labor time will be billed to MSA.
 - (2) Coach airfare will be via the most direct route in accordance with FTR guidelines. The Subcontractor is expected to book travel at least two (2) weeks in advance in order to secure the cheapest airfare.
 - (3) Trips home are neither “bankable,” transferable nor cumulative.
2. Longer Term Assignment (three hundred sixty-six (366) days and over): For any assignment exceeding 365 days, the Subcontractor will not be reimbursed any costs associated with

REQUEST FOR PROPOSAL NO: 292743

lodging, meals and incidentals or trips home. If an assignment has breaks within a three year period, the calculation of the total length of the assignment will be as follows: If the break between the assignments is less than 12 months, MSA will consider the assignment continuous for the purposes of the three year clock. If the break is greater than 12 months, the assignments will be considered as separate assignments for purposes of the three year clock.

3. Intermittent Travel

- (a) For Subcontractor personnel on intermittent travel directly required by MSA to the same domestic location for less than 30 consecutive calendar days, the Subcontractor will be reimbursed as set forth in the General Reimbursement Policy above, unless the provisions of subparagraph 3 (c) below apply.
 - (b) If any intermittent travel assignment includes trips that are in excess of 30 consecutive calendar days to the same domestic location, then the rules on Domestic Extended Personnel Assignment per B.1 and B.2 above will apply. If the Subcontractor believes it is not practical or cost effective to obtain long term lodging, the Subcontractor may request a specific preapproval to waive this restriction. Until such approval has been granted, costs for travel will be treated as set forth in B.1 and B.2 above.
 - (c) If there is a Subcontract requirement for recurrent intermittent travel of less than 30 consecutive days per trip to the same domestic location over a period of 6 months or more, a cost analysis will be mutually performed to determine if the use of long-term lodging would be more cost effective. If it is determined that the use of long-term lodging is more cost effective, the travel costs shall be reimbursed in accordance with the requirements of Paragraph B.1 above.
4. Previous Contractual Arrangements – for all Subcontractors under per diem arrangements prior to October 23, 2012, existing assignments will be transitioned to the new policy after given ninety (90) days notice. In the case of assignments with less than 90 days term remaining before renewal, the existing reimbursement scheme will carry forward into the renewal period until the 90 day notice period has elapsed.
5. Subcontract Renewals - upon renewal of a MSA Subcontract with the same Subcontractor, individuals of that Subcontractor working to the same work scope, unless there has been a break of more than 12 months, the per diem limitations set forth herein will continue to apply based on the initial Subcontract award date that started the effort.

REQUEST FOR PROPOSAL NO: 292743

Expense reimbursement requests must be submitted in a timely manner, identify the name of the traveler, destination, purpose of the travel and days worked under the Subcontract, as well as any required pre-approval documentation.

Invoices for travel expenses must include original or legible copies of receipts to support:

1. Actual airfare or other public conveyance expenses

H.2 Facility Closure Notice - Holiday and Work Schedules

(H22) Rev. 1 10/22/2014

NOTICE: Daily work schedules and facility operations are **NOT** consistent on the Hanford Site. Many organizations and facilities **observe Friday closures**.

Accordingly, BEFORE scheduling deliveries or site work, the Subcontractor shall make specific schedule arrangements with the Contract Specialist, BTR, Facility Manager, Delivery Warehouse Manager, Building Manager, or other cognizant Mission Support Alliance organization.

The Buyer will not be liable for the cost of any delays, demurrage, layovers, extra travel days, etc., which result from Subcontractor's failure to obtain a specific delivery or work schedule in advance.

H.3 Inspection of Services

(H37) Rev. 0 3/14/2011

1. Definitions. "Services," as used in this clause, includes services performed and when applicable, materials furnished or utilized in the performance of services.
2. Subcontractor shall provide and maintain an internal quality control/inspection system covering the services performed under this Subcontract that is acceptable to the Buyer.

This right shall extend to any of Subcontractor's sub-tier subcontractors whose work applies directly to this Subcontract. Subcontractor shall make such provisions as necessary in its contracts and sub-tier subcontracts to ensure the preservation of this right. The Buyer shall perform inspections and tests in a manner that will not unduly delay the work.
5. If the Buyer performs inspections or tests on Subcontractor's premises or those of Subcontractor's sub-tier subcontractor(s), Subcontractor shall furnish, and shall require its sub-tier subcontractors and suppliers to furnish without additional charge, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.
6. If any of the services provided by Subcontractor do not conform to Subcontract requirements, the Buyer may require Subcontractor to perform the services again in conformity with Subcontract requirements with no increase in Subcontract price. When defects in services cannot be corrected by re-performance, the Buyer may: (1) require Subcontractor to take necessary action to ensure that future performance conforms to contractual requirements and (2) reduce the Subcontract price to reflect the reduced value of the services performed.
7. If Subcontractor again fails to promptly perform the services or to take necessary action to ensure that future performance is in conformity with contractual requirements, the Buyer may: (1) by Subcontract or otherwise, perform the services and charge Subcontractor any cost incurred by the Buyer that is directly related to the performance of such service or (2) terminate this Subcontract for default in accordance with the clause entitled "Termination for Default" of the General Provisions of this Subcontract.

REQUEST FOR PROPOSAL NO: 292743

On all matters that pertain to Subcontract terms, the Subcontractor shall contact the Contract Specialist specified within this Subcontract. When in the opinion of the Subcontractor, the BTR requests or directs efforts outside the existing scope of the Subcontract; the Subcontractor shall promptly notify the Contract Specialist in writing. **The BTR does not possess any explicit, apparent or implied authority to modify the Subcontract.** No action should be taken until the Contract Specialist makes a determination and modifies the Subcontract in writing.
